TO BE ATTACHED TO AND MADE A PART OF ALL POLICIES INSURING MOTOR VEHICLES OPERATED BY "PASSENGER STAGE CORPORATIONS" (AS DEFINED IN SECTION 226 OF THE PUBLIC UTILITIES CODE) AND/OR "CHARTER PARTY CARRIERS OF PASSENGERS" (AS DEFINED IN SECTION 5360 OF THE PUBLIC UTILITIES CODE) AND/OR "TRANSPORTATION NETWORK COMPANIES" (AS DEFINED IN SECTION 5431 OF THE PUBLIC UTILITIES CODE) SUBJECT TO REGULATION BY THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

(FORM PL 912)

The policy to which this endorsement is attached is an Automobile Bodily Injury Liability and Property Damage Liability policy or other liability policy, as required by law, and is hereby amended to assure compliance by the insured, as a passenger stage corporation and/or as a charter party carrier of passengers and/or as a transportation network company, with California Public Utilities Code Section 1040, Sections 5384.3, 5391 or 5391.2, or Section 5433 where applicable, General Order No. 101 Series and/or General Order No. 115 Series, and the pertinent rules, orders, and regulations of the Public Utilities Commission of the State of California.

In consideration of the premium stated in the policy to which this endorsement is attached, the Company hereby agrees to pay, within the limits of liability hereinafter provided, any final judgment rendered against the insured for bodily injury to or death of any person, or loss of or damage to property of others (excluding injury to or death of the insured's employees/contractors while engaged in the course of their employment/service, and loss of or damage to property owned by, rented to, or transported as cargo by the insured), resulting from the operation, maintenance, or use of motor vehicles for which a certificate of public convenience and necessity or permit is required or has been issued to the insured by the Public Utilities Commission of the State of California, regardless of whether such motor vehicles are specifically described in the policy or not, and/or resulting from any other action by the insured and/or the insured's employees/contractors while engaged in the course of performing under the aforementioned certificate of public convenience and necessity or permit.

Within the limits of liability hereinafter provided it is further understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, or any other endorsement thereon or violation thereof, or of this endorsement by the insured, shall relieve the Company from liability hereunder or from the payment of any such final judgment, irrespective of the financial responsibility or lack thereof or insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which this endorsement is attached are to remain in full force and effect as binding between the insured and the Company, and the insured agrees to reimburse the Company for any payment made by the Company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the Company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is understood and agreed that, upon failure of the Company to pay any final judgment rendered against the insured as provided herein the judgment creditor may maintain an action in any court of competent jurisdiction against the Company to compel such payment.

The liability of the Company for the amounts provided in this endorsement applies separately to each accident and any payment under the policy because any one accident shall not operate to reduce the liability of the Company for the payment of final judgments resulting from any other accident.
