Dear Mr. Bruno:

The Safety and Enforcement Division (SED) of the CPUC conducted a General Order 112 audit of PG&E’s De Anza Division from June 13-17, 2016. On August 2, 2016, the SED submitted their audit report, identifying violations and findings. Attached is PG&E’s response to the CPUC audit report.

Please contact Glen Allen at (925) 278-3462 or gmad@pge.com for any questions you may have regarding this response.

Sincerely,

/S/
Michael Falk
