2017 Hollister District CPUC Audit Responses

Finding Type [Internal, NOV, AOC]	Finding #		Response	Associated Attachment (File Name)
NOV - PG&E's Internal Review Findings		Prior to the start of the inspection, PG&E provided SED its findings from the internal review it conducted of the District. Some of PG&E's internal review findings are violations of PG&E's standards, and are therefore violations of Title 49 Code of Federal Regulations (CFR), §192.605(a). SED is aware that PG&E corrected all of its findings prior to SED's inspection. Table 1 lists all of the violations from PG&E's internal review.
