General Order 112 Audit – PG&E’s Lafayette Transmission Inspection

Dear Mr. Bruno:

The Safety and Enforcement Division (SED) of the CPUC conducted a General Order 112 audit of PG&E’s Lafayette transmission assets from August 13-17, 2018. On September 5, 2018, the SED submitted their audit report, identifying violations and findings. Attached is PG&E’s response to the CPUC audit report.

Please contact Enza Barbato at (925) 357-7889 or e1bo@pge.com for any questions you may have regarding this response.

Sincerely,

/s/ Mike Bradley
