Dear Mr. Bruno:

The Safety and Enforcement Division (SED) of the CPUC conducted a General Order 112F inspection of PG&E’s Northern Area (Burney District including Tionesta and Burney Compressor Stations, North Valley Division, Willows District including Gerber and Delevan Compressor Stations, Meridian District, Sierra Division, and Sacramento Division) on July 23 – August 3, 2018 and August 20 – 31, 2018. On June 18, 2018, the SED submitted their inspection report, identifying violations and findings. Attached is PG&E’s response to the CPUC inspection report.

Please contact Mike Lang at (209) 601-9853 or msld@pge.com for any questions you may have regarding this response.

Sincerely,
