Re: State of California – Public Utilities Commission
General Order 112-F Inspection of PG&E’s Transmission Integrity Management Program
– In-Line-Inspection Focused

Dear Mr. Lee:

The Safety and Enforcement Division (SED) of the CPUC conducted a General Order 112F inspection of PG&E’s Transmission Integrity Management Program (TIMP) from April 29 – May 10, 2019. On July 11, 2019 the SED submitted their inspection report, identifying violations and findings. Attached is PG&E’s response to the CPUC inspection report.

Please contact Anthony Kwong at (415) 238-4080 or A1K9@pge.com for any questions you may have regarding this response.

Sincerely,

/s/ Susie Richmond
Manager, Regulatory Compliance
