GI-2020-05-PGE-10-02ABC

SUBJECT: General Order (GO) 112-F Gas Inspection of PG&E's Sonoma Division Distribution System Records.

Dear Ms. Cowser:

On behalf of the Safety and Enforcement Division (SED) of the California Public Utilities Commission (CPUC), Jason R. McMillan, Wilson Lule, Andrew Kwan, and Chirag Patel conducted a General Order 112-F inspection of Pacific Gas & Electric Company's (PG&E) Sonoma Division Distribution System Records remotely from May 11 to May 15, 2020. SED conducted this records review inspection remotely due to California's stay at home orders. SED will conduct a future inspection to cover field observations and review some records that it could not review during this remote inspection.

SED's staff did not identify any probable violations of G.O. 112-F, Reference Title 49 Code of Federal Regulations (CFR), Part 192, and considers this inspection closed.

If you have any questions, please contact Jason R McMillan at (916) 928-2271 or by email at [Jason.McMillan@cpuc.ca.gov](mailto:Jason.McMillan@cpuc.ca.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Terence Eng".

Terence Eng, P.E.  
Program Manager  
Gas Safety and Reliability Branch  
Safety and Enforcement Division
