The Annual and Affiliate Transaction Reports fall within the CPUC G.O. 66-C and P.U. Code Section 583. These statutes address public inspection of reports filed with the CPUC. Reports are public records and, as such are open to public inspection unless they are within the exclusions of G.O. 66-C or exempted under the California Public Records Act (Government Code (GC) Section 6250 *et seq.*). Records exempted from public inspection may be made public on a case-specific determination by the CPUC that the public interest in withholding those records clearly outweighs the public interest in disclosure. (See GC Section 6254(a)).
