	Resolution No.

The CPUC will maintain an enterprise risk management system and internal audit function, with the following objectives:

1. To identify and characterize substantial risks to the achievement of the Commission's goals and strategic objectives, including risks the public faces with respect to entities the CPUC regulates;
2. To prioritize risks of greatest concern, in light of their likelihood, severity, and available options for their mitigation;
3. To consider risk priorities in allocating the CPUC's resources, including budgetary funding and the time and attention of Commissioners and CPUC staff;
4. To test and verify the effectiveness of the CPUC's managerial controls and operations.
