Memo

Powerlink Project - Mitigation Measure Compliance

CC: Alan Coleman, Manager - Environmental Services
Jose Lopez, Project Manager - 230 kV Underground

Sincerely,

[Signature]

San Diego Gas & Electric Co. (SDG&E) met with Maryanne Vanclo, San Diego County Trails Program Coordinator, on September 21, 2010 to coordinate construction activities impacted by CalTrans mitigation activities associated with project along Alpige Boulevards.

Signs will be posted at either end of the trail along Alpige Boulevards to notify users of construction activities.

Construction of Link 4 will not occur on the trail.

Powerlink Transmittion Project
Mitigation Measure WR-1, Task 2, WR-1A Task 1, and WR-1B Task 1 for Sunrise Powerlink Project - Mitigation Measure Compliance

October 1, 2010
