PLANNING PROCESS:  
San Joaquin Cross Valley Loop Transmission Line Project (A.08-05-039)**  
**Date: July 31, 2008**

### **Introduction**

Southern California Edison (SCE), in its California Public Utilities Commission (CPUC) application (A.08-05-039), filed on May 30, 2008, seeks a Permit to Construct the San Joaquin Cross Valley Loop Transmission Line Project (Proposed Project). In response to letters of concern and comments from the public regarding the Proposed Project, the CPUC will be holding two **Educational Workshops** in Tulare County.

### **Topics to be Covered in these Educational Workshops**

Both workshops will cover the same information. Specifically, the workshops will address:

- CPUC's process for reviewing the Proposed Project application;
- California Environmental Quality Act (CEQA) review process for construction, operation and maintenance of the Proposed Project; and
- Information on how interested parties can most effectively provide input, voice concerns, pose questions, and become involved during both planning processes.

### **Location of the Workshops**

All members of the public are invited to attend either workshop. Please note that both workshop locations are ADA compliant and that Spanish translation and materials will be available. If you plan to attend and need specialized accommodations for one of these meeting locations that are listed below, you must contact the CPUC's Public Advisor's Office, [public.advisor@cpuc.ca.gov](mailto:public.advisor@cpuc.ca.gov) or by phone at (415) 703-2074 at least 3 to 5 business days in advance of the workshops.

### **Introducción**

Southern California Edison (SCE), en su solicitud al California Public Utilities Commission (CPUC) (A.08-05-039), presentado el 30 de Mayo, 2008, pide permiso de construir el proyecto San Joaquin Cross Valley Loop Transmission Line Project (Proyecto Propuesto). CPUC tendrá dos **Seminarios Educativos** en Tulare County en repuesta a las cartas de preocupación y comentarios del público respecto al proyecto propuesto.

### **Los Temas que Serán Cubridos**

Ambos seminarios cubrirán la misma información. Específicamente, los seminarios tratarán:

- El proceso de CPUC para repasar el solicitud propuesto del proyecto
- El proceso de la revisión de California Environmental Quality Act (CEQA) para la construcción, la operación y el mantenimiento del proyecto propuesto; y
- Información sobre cómo las personas interesadas pueden efectivamente proporcionar aporte, expresar preocupaciones, presentar preguntas y estar involucrado durante ambos procesos de planeamiento

### **Locales de los Seminarios Educativos**

Se invita a todos los miembros del público que atiendan a uno de los seminarios. Observe por favor que ambos locales de los seminarios cumplen requisitos de ADA y que la traducción y los materiales en español estarán disponibles. Si usted planea atender y tener necesidades especiales para uno de éstos lugares de la reunion que han sido detallados debajo, usted debe contactar la oficina del consejero público del CPUC, [public.advisor@cpuc.ca.gov](mailto:public.advisor@cpuc.ca.gov) o por el teléfono en (415) 703-2074, por lo menos 3 a 5 días laborales antes de los seminarios.
