B. Description of Proposed Project

The proposed project includes segments along various mileposts in San Bernardino County, with specific segments along SB 0, MP 5, MP 10, MP 15, MP 20, MP 25, MP 30, MP 35, MP 40, and MP 45. The project involves the San Bernardino Substation, Timoteo Substation, Vista Substation, Tennessee Substation, El Casco Substation, Maraschino Substation, Banning Substation, and Devers Substation. The project includes both 220 kV conductors and telecommunications lines. The project is within the jurisdiction of various land management agencies, including the Morongo Band of Mission Indians, Bureau of Land Management, and U.S. Forest Service.
