Comments should pertain to the accuracy and adequacy of the Draft EIR prepared for the MPWSP. All comments must be received by the CPUC no later than July 1, 2015. PLEASE PRINT LEGIBLY.

Comment:

It appears that Geoscience and its associates are reviewing their own SLANT WELL WORK AND I suggest that a third qualified mediator be employed to evaluate their work. The Coastal Commission and Posedon selected CONCUR (environmental resolution group) to evaluate the Huntington Beach project and a similar process should be employed and needs to be incorporated into the DEIR.
