Hello Dale,

I apologize for misunderstanding. I have made arrangements for the Draft EIR to be made available at the Harrison Memorial Library. I have expedited shipping so that the Harrison Memorial Library will receive the Draft EIR on Wednesday. In the meantime the Draft EIR is currently available at the Monterey Public Library. I apologize for any inconvenience this may have caused. Please let me know if I can be of any further assistance.

Thank you,

Hi Megan

My question was not about the Carmel Valley Library. It was about why can't The City of Carmel Library and the City of Monterey Library have a hard copy of the Draft EIR? It's far more convenient to go to the Carmel Library than to go to the Carmel Valley Library especially since I am no longer driving.

Hello Dale,

Thank you for your inquiry. Per the request of the Monterey County Free Library the Draft EIR was sent to the main office in Marina for them to distribute to the Carmel Valley branch. Hello

Don't understand why the Monterey and Carmel Libraries didn't get copies of the Draft EIR. Could you rectify this?
