What's Available

February 2017

Here's detailed information on our home phone services.

You can get more information by visiting att.com or by calling our toll-free hotline: 800.21.GUIDE (800.214.8433) 24 hours a day from anywhere in California. Just press the 3-digit code listed by each service described in this brochure or follow the prompts. This hotline also includes recorded messages on how to use your phone in an emergency, bill payment options and how to save money on your phone services.

See reverse for all languages offered.

Basic Services

254 *Flat Rate Service: Unlimited local calls for a set monthly rate of \$26 per month**; \$49 to activate.

254 *Measured Rate Service: A monthly residence telephone rate, which includes a \$6.75 calling allowance applied to calls within your local calling area or to Zone 3 if you're in a Zone Usage Measurement (ZUM) area. Calls are charged depending on the time of day the call is placed and length of the call. Usage Rates: \$0.12 per minute (or fraction thereof) in your local area, \$0.12 per minute (or fraction thereof) for Zone 3 charges if you are in a ZUM Area. \$23.25 per month**; \$49 to activate.

230 California LifeLine: Discounted basic service for qualifying low-income customers provided by the local telephone company and sponsored by the California Public Utilities Commission (CPUC).

— ***Flat Rate California LifeLine:** Unlimited local calling at \$7.47 per month**; \$10 to activate.

— ***Measured Rate California LifeLine:** Includes 60 untimed local calls per billing cycle. Local calls over 60 cost \$0.08 each. Price: \$4.72 per month**; \$10 to activate.

-- *Qualified residents of Tribal Lands may qualify to receive up to an additional \$25 in discounts per month for discounted basic residential telephone service*

-- *Free toll blocking available to qualified LifeLine customers*

374 Zone Usage Measurement Calling (ZUM): ZUM is a method for pricing local calls by zones. Zones 1 and 2 are those areas from 0-12 miles. Zone 3 further extends local calling to 16 miles in urban areas of the state. Unlimited Zones 1 and 2 calls are included in the charge for Flat Rate Service. Per-minute charges of \$0.12 apply to Measured Rate Service for Zones 1 and 2 calls. Where Zone 3 calling is available, per minute charges of \$0.12 apply to both Flat and Measured Rate Service, including California LifeLine Flat and Measured Rate Service. Where Zone 3 calling is not available, calls over 12 miles are billed as Local Toll Calls.

374 MetroPlanSM: Optional service for customers in ZUM Zone 3 calling areas. It includes unlimited Zone 3 calling (13 to 16 miles) for \$3 per month. Customers enjoy expanded local calling area for a flat rate. There is no activation fee.

374 Local Toll (IntraLATA) Calling: Per-minute charges for calls made outside your local and Zone 3 calling areas but within your Service Area. (See Local Toll Calling Plans on reverse.)

*Price includes dial tone, single-party service, Touch-tone capability, Toll Blocking to qualifying low-income customers, access to interexchange service and access to 911 or other emergency services, access to operator services, unlimited incoming calls, a listing in the AT&T White Pages telephone directory, a copy of the published AT&T White Pages telephone directory for your area, access to the AT&T customer service and repair service, access to toll-free numbers (800 and 800-type numbers), access to the California Relay for the Deaf via "711" and access to Directory Assistance. Prices exclude taxes, fees, Universal Service charges, Federal Subscriber Line Charge and installation. The Federal Subscriber Line Charge is waived for California LifeLine customers. Prices also exclude inside wire work or jacks.

**Basic service rates are higher in Extended Area Service (EAS) exchanges.

535 **Toll Blocking:** Control telephone expenses by blocking the ability to make billable toll calls. Price: \$1.90 per month, free to California LifeLine customers; there is no activation charge.

535 **Caller ID Complete Blocking:** Prevents your name and number from being sent on calls you make except to 911 and toll-free numbers, i.e., 800, 866, 888 and 900 numbers. No charge. You can unblock on a per call basis at no charge by pressing *82 before dialing.

535 **Caller ID Selective Blocking (*67):** Lets you block your name and number from being sent on calls as you make them by pressing (*67) before dialing. There is no charge for this service.

130 **Per Visit Inside Wire Repair Service:** You can call AT&T Repair (611) to repair your phone wiring and telephone jacks*. Price: \$55 first 15 minutes of repair service, \$20 each additional 15 minutes of repair service.

(If you or your landlord need to make inside wiring repair arrangements, the options are to do the repair yourself, hire another vendor to do the work or hire AT&T to do the work. A fourth option is to subscribe to WireProSM from AT&T before a problem occurs.)

131 **Inside Wire Repair and WireProSM Plan Rates:** No premises visit charges will apply when AT&T technicians repair your home's phone wiring and telephone jacks* if you subscribe to WireProSM for \$8 per month, per line. There is no activation charge.

*Note: WireProSM covers only standard wiring and jacks that were in working condition at the time the service was connected and meet AT&T technical standards. *Inside wire is that portion of the telephone wire that connects the telephone jack to AT&T at the demarcation point determined in accordance with CPUC orders. Landlords are responsible for installing at least one useable telephone jack and for placing and maintaining the inside telephone wiring in working order.*

378 **AT&T Long Distance:** Offers easy-to-understand long distance service and unique rate plans to suit the calling needs of California customers. There are plans that meet the needs of customers who make long distance calls both domestically and internationally. AT&T Long Distance also has the convenience of one bill combined with AT&T local service. AT&T Long Distance provides direct-dial service in all local service areas where arrangements exist with local providers.

Services may not be available in all areas. Prices and availability are subject to change. Please visit att.com or call 800.288.2020 for complete and current product information.
