How does this process work?

This rulemaking is considering regulating rates and fees for calling from prisons and jails. The rulemaking is assigned to a CPUC Administrative Law Judge who will consider proposals and evidence presented during formal processes. The Administrative Law Judge will issue a proposed decision. Any CPUC Commissioner may sponsor an alternate decision with a different outcome. The proposed decision, and any alternate decisions, will be discussed and voted upon by the CPUC Commissioners at a public CPUC Voting Meeting.

Parties involved in the rulemaking include the Public Advocates Office. The Public Advocates Office is an independent consumer advocate within the CPUC that represents customers to help them obtain the lowest possible rates consistent with reliable and safe service levels.
