Why am I receiving this notice?

The California Public Utilities Commission (CPUC) wants to hear from you. Virtual public hearings have been scheduled to hear your comments, concerns and opinions regarding the costs of calling from prisons and jails in California. Your participation by providing comments can help to inform the CPUC on these issues.

You can watch a livestream of the hearings or participate via telephone. Incarcerated persons wishing to participate in the public hearing must typically obtain advance approval to do so by providing the hearing call-in number to the facility where they reside. You can also submit comments by mail or post them on the CPUC's public comment portal at any time before May 1, 2021.

How does this process work?

This rulemaking is considering regulating rates and fees for calling from prisons or jails. The rulemaking is assigned to a CPUC Administrative Law Judge who will consider proposals and evidence presented during formal processes. The Administrative Law Judge will issue a proposed decision. Any CPUC Commissioner may sponsor an alternate decision with a different outcome. The proposed decision, and any alternate decisions, will be discussed and voted upon by the CPUC Commissioners at a public CPUC Voting Meeting.

Parties involved in the rulemaking include the Public Advocates Office. The Public Advocates Office is an independent consumer advocate within the CPUC that represents customers to help them obtain the lowest possible rates consistent with reliable and safe service levels.
