Re: 2020 WMP - Data Request 20200226

Dear Ms. Thomas Jacobs,

On behalf of Bear Valley Electric Service, we respectfully request a seven-day extension to March 9, 2020, to respond to the 2020 WMP Data Request 2020226.

The data request is extensive, and the time extension will allow our small staff time to give the answers and corrections the appropriate focus and develop meaningful replies that are more likely to meet your intent.

Respectfully Submitted,

Marc Stern
Operations and Planning Manager
