Criteria for Access Fund Expenditures

CPUC Accessibility Workshop (SB 1376)

February 15, 2019

Uber

Agenda

01 Eligible on-demand programs + partnerships for funding

02 Expenditure criteria for receiving funding from Access fund

Eligible on-demand programs + partnerships for funding

On-Demand WAV Transportation

Eligible programs + partnerships should increase access to on-demand WAV transportation options

Transportation Network Companies

TNCs enabling access to on-demand WAV transportation options

Program/ Partnership Structure

- Independent contractors operating personal WAVs
- Contract with transportation provider for WAV services

Expenditure criteria for receiving funding from Access fund

Response Times for WAV Trips

Meet benchmarks for response times on WAV Trips

Benchmarks Set by Geographic Area

Given market variability, each defined geographic area should have a unique set of benchmarks

Publicize WAV Services

Demonstrate efforts to publicize available WAV services to disability community

Thank You
