

Staff Presentation on Environmental and Social Justice Action Plan

Alice Glasner
Energy Division
California Public Utilities Commission

February 22, 2019

Presentation Overview

- Content of the Environmental and Social Justice Action Plan
- Process of Action Plan Development
 - ❖ Stakeholders
 - ❖ Public process
 - ❖ Consideration of input, including DACAG

Content of ESJ Action Plan

- Description of CPUC's role in promoting equity in ESJ communities
- Definition of ESJ communities
- Goals for integrating environmental and social justice into CPUC work
- Objectives that detail what is needed to meet each goal
- Actions the CPUC and others are taking or will take to meet the goals

Process of Action Plan Development

- Lead Commissioner offices drafted with Energy Division support in early 2018
- All Commissioners provided feedback on Action Plan vision, including during 12/12/18, 1/31/19 public meetings
- Received input from various CPUC divisions
- Public feedback on early draft beginning Aug. 2018
 - Disadvantaged Communities Advisory Group
 - November 2018 public webinar
 - Written comments received (<http://www.cpuc.ca.gov/discom/>)
- Lead Commissioner offices considered all input in making revisions
- Endorsement by CPUC February 21, 2019
