

NOTICE OF INTENT TO AWARD

Secondary RFP No. 19NS0853

for:

AT&T CA and Frontier Communications CA Network Examination, 2018-2019

March 24, 2020

On January 24, 2020, the California Public Utilities Commission (CPUC) released a competitive solicitation Secondary RFP No. 19NS0853 titled "AT&T CA and Frontier Communications CA Network Examination, 2018-2019" under its Communications section. The purpose of this solicitation is to fund one contractor to conduct an examination of the telecommunications networks and related policies and practices of AT&T California (AT&T CA) and Frontier Communications California (Frontier CA), for the period from 2018 to 2019.

The proposals were screened and evaluated using the criteria and process dictated in the solicitation. The proposed awardee is as follows:

Proposed Awardee:
Economics and Technology, Inc. (ETI)

This notice is being emailed to all applicants of the solicitation and is also posted to Cal eProcure.

If CPUC is unable to timely execute a funding agreement with the Proposed Awardee, CPUC, at its sole discretion, reserves the right to cancel or otherwise modify the pending award.

The Commission wishes to extend its gratitude to all applicants and participants in this solicitation process.
