

**California LifeLine Working Group Conference Call Notes**  
**March 27, 2018**

<b>Agenda Item</b>		<b>Discussion</b>	<b>Action Items/Pending Issues</b>
1	Impromptu Working Group Call – Staff wanted to go over the Return Feed Changes for Funding Type	<ul style="list-style-type: none"> <li>• 2 new status codes: 67 &amp; 68</li> <li>• 2 error codes that will be repurposed: 40083 &amp; 40084, this will prevent a discount being classified as a 2<sup>nd</sup> line (TTY) if they don't already have a California LifeLine discount on another line.</li> <li>• Staff is working with the Administrator to consider the possibility of using the Driver License Number field in the return feed for the funding type.</li> <li>• WG member asked if the field would be a numerical or alpha. It will be alpha.</li> <li>• FTF = Funding Type federal</li> <li>• FTC = Funding Type California</li> <li>• We will provide both the funding type in two ways: a) status codes and b) in the Driver's License number field.</li> <li>• WG member asked when will the new specs doc be available. The administrator said sometime this week.</li> <li>• Staff and Administrator is considering waiting to process requests submitted between 9 p.m. and 7 a.m. PST until after the processing the return feed. We will get feedback from WG in the next few weeks.</li> </ul>	<ul style="list-style-type: none"> <li>• Staff will send out the new status codes and error codes sometime this week.</li> <li>• Staff will seek feedback about the proposal to wait to process requests submitted between 9 p.m. and 7 a.m. PST until after the processing the return feed.</li> </ul>
