PU Code Sec 281 (amended by AB1665, Stats. 2017, Ch. 851) provides $645 million for the CPUC to provide broadband access to no less than 98% of California households in each consortia region. ALL AWARD DATA AS OF June, 2020

**Infrastructure Grant and Line Extension -- $575 million**

$281.6 million awarded

Supporting **77 projects**, that will provide broadband to an estimated potential 321,300 households. Approximately 50,000 households subscribe to the 38 completed last-mile projects. The Line Extension Program supports one (1) project with a total grant award of $5,229.

**Public Housing Account -- $25 million**

$14.9 million awarded for infrastructure and adoption projects

Supporting **323 projects**, connecting 21,326 affordable housing units across 31 counties.

Providing digital literacy training to **128 locations**, with 28,652 residents in total across 15 counties.

**Rural and Regional Urban Consortia Grant -- $25 million**

$13.9 million awarded

The Third Grant Solicitation awarded in 2019 supports **9 consortia** groups formed to serve 34 counties to advance broadband deployment.

**Broadband Adoption Account -- $20 million**

$16 million awarded

Supporting **519 projects** serving **185,665 participants** in **30 counties**.

**AB 1665** changed program eligibility and introduced a number of key changes including:

- New Program Accounts and New Monies
  - Infrastructure Grant Account $300 million
  - Line Extension $5 million included
  - Will not issue any new loans under the Loan Account.
  - Consortia Account $10 million
  - Adoption Account $20 million
