

Administrative Services

Human Resources • Information Technology • Management Services

We are the foundation of the CPUC.

We make it possible!

To attract, hire, train, and retain the best and brightest employees.

Our Purpose

To get employees where they need to be, when they need to be there, with the right resources to do their jobs.

To quickly engage specialized outside services.

Administrative Services — Making it possible for the CPUC to fulfill its duty to the people of California.
